			documents	

We recommend bringing a well-packed daypack for long game drives to make your experience as comfortable as possible. Consider including essentials like:

A battery-powered fan	A cooling towel
A portable phone charger	An insulated water bottle
Advil	Bug spray
Snacks	Sunscreen

These items will help you stay cool, prepared, and energized throughout your adventure.

PLEASE NOTE: Plastic bags of any sort are not permitted in Tanzania.

Please do not pack in plastic bags or bring them for wet clothing. This ban also applies to duty free bags from items purchased on your trip to Tanzania.

Per the requirements by airlines for carry-on liquids, one quart-size plastic bag per person is permitted.
